MISCELLANEOUS DEPARTMENTS

OFFICE OF THE SPECIAL OFFICER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

PRESS NOTE.

Under the existing orders for the acquisition of surplus foodgrains available out of the harvest, the shanbhog of every village is expected to maintain accounts showing the surplus foodgrains available with each declared holder, quantity actually surrendered and the balance still to be surrendered. With this end in view, every declared holder, who has surplus foodgrains for surrender to Government Purchase Depots, has to obtain from the Shanbhog of the village, from which the grain is to be moved, a triplicate form H. S. 3 written up, which will be surrendered at the purchase depot, along with the grain and the trifoil obtained with the signature of the depot clerk as a receipt for the grain delivered. This form also serves the purpose of a transport permit to enable the declared holder to move his grain to the depot. The original foil will be returned by the depot clerk, to the shanbhog of the village, who issued the form for making necessary entries in his accounts.

The examination of the working of the harvest scheme for the last two months revealed that there are certain practical difficulties in getting these forms promptly from the shanbhogs, as the shanbhogs have to deal with several villages and they will not always be available in the village itself from which the grain has to be moved, resulting in considerable inconvenience to the declared holders. To avoid such inconvenience and to give better facilities in this regard to the holders, it is now proposed to entrust the work of issuing H. S. 3 forms to patels of villages also who are generally resident in the village concerned and are therefore more easily accessible. Instructions have accordingly been issued to the Deputy Commissioners of Districts to make these forms available with the patels also in addition to shanbhogs so that the declared holders may get the forms from either of them.
